- Develop a close working relationship with the Product Development team to ensure they are up to date on sketch development, passing correct tech packs and instructions for fabric and trim.
- Participate in research/inspiration trips and factory visits when needed.

QUALIFICATIONS

- Creative and intuitive mindset, with the ability to think outside the box and an eye for detail.
- Motivated self-starter who can perform under pressure.

- Understanding of garment construction and strong fabric knowledge.
- Great understanding and feel for the Wood Wood brand and competitive landscape.
- A good understanding of sustainability.
- Excellent communication and interpersonal skills with the ability to work well in a team.
- High work ethic, integrity, and good time management skills.
- Commercially minded, quickly responding to business/market needs.
- Proficiency in Adobe Illustrator, Photoshop and InDesign.
- Written and oral fluency in English.

EXPERIENCE

- The level of responsibility/seniority given in the role will be based on the candidate's professional experience.
- Minimum 3 years professional experience.

Please send CV, cover letter in English and relevant portfolio work to womensdesigner@woodwood.com.
